IN RE MONTANA STUDENT PRACTICE RULE

ORDER

On April 30, 1975, this Court established a Montana Student Practice Rule, effective May 1, 1975, that allows certain law students to provide assistance to practicing lawyers, within limited parameters. This Court subsequently amended the Rule via Order of the Court on August 13, 1991.

The Court established the Montana Student Practice Rule pursuant to its authority to make such rules under Article VII, Section 2(3), of the Montana Constitution. However, it has come to the Court's attention that, given the age of the orders involved, the public has difficulty finding the Rule. We therefore have determined to promulgate the Montana Student Practice Rule, with minor revisions, with an updated Order to bring it into conformance with modern filing practices.

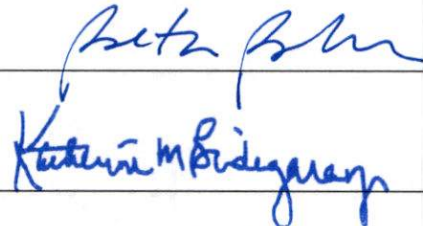

IT IS THEREFORE ORDERED that the Montana Student Practice Rule shall be filed and published as shown in the attachment to this Order, effective immediately.

This Order and the attached Montana Student Practice Rule shall be posted on the Court's website. In addition, the Clerk of this Court is directed to provide copies of this Order and the attachment to the State Law Library, Todd Everts, Shana Harrington, Karl Krempel, Jaret Coles, and Julie Johnson at Montana Legislative Services, Eric Goodemote in the Thomson Reuters Rules department at Thomson Reuters, Patti Glueckert and the Statute Legislation department at LexisNexis, the Montana Legal Services Association, the Dean of the Alexander Blewett III School of Law at the University of Montana, and the State Bar of Montana, with the request that the State Bar provide notice of the revised rule to membership by publication in the *Montana Lawyer* magazine and through other electronic and timely means.

DATED this 6th day of October, 2026.
