

In September of 2024, the Professionalism Committee in collaboration with the staff at the State Bar of Montana, will put on the New Lawyer's Workshop at the State Bar Annual Meeting in Missoula, Montana. The purpose of the New Lawyers Workshop is to connect newer attorneys with each other and experienced practitioners and judges in a small group format that is designed to facilitate various topic discussions regarding the practice of law. The Professionalism Committee has been committed to this workshop for many years and continues to be involved in the organization and facilitation of the program. In 2024, the Professionalism Committee attempted to reignite the Road Show CLE to reach bar members in smaller communities (Lewistown, Havre, and Glendive), however, the registrations were so low that the event had to be cancelled. The Professionalism Committee will look for alternative options for 2025.
